TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Mark Kutney, AICP, Development Services Director/(954) 797-1101
Prepared by: Todd Vargo, Planner I

SUBJECT: Ordinance 1st Reading/Quasi-judicial
VA 1-2-03 A.J. Hydro Engineering, Inc./Rolling Hills International
Country Club, Ltd., 3550 Rolling Hills Drive/Generally located north of
SW 36 Street west of University Drive.

AFFECTED DISTRICT: District 2

TITLE OF AGENDA ITEM: AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA, APPROVING PETITION VA 1-2-03, VACATING DRAINAGE EASEMENTS WITHIN SECTION 21, TOWNSHIP 50 SOUTH, RANGE 41 EAST AND WITHIN THE ROLLING HILLS GOLF AND TENNIS CLUB PLAT (81-27); PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

REPORT IN BRIEF: The applicant has requested the vacation of two (2) drainage easements in association with the development known as Rolling Hills Golf Estates. These easements were provided on the plat before the site plan was approved.

The original drainage easements are not needed as some of the existing drainage pipes are not located within easements provided per the original plat. The proposed abandonment is necessary to relocate the easements in order to achieve consistency with the existing drainage infrastructure and provide legal easements for their maintenance.

The requested vacations will not have an adverse affect on neighboring properties, nor is there a conflict with the public interest.

PREVIOUS ACTIONS: None

CONCURRENCES: At the April 9, 2003 Planning and Zoning Board meeting Vice-Chair Bender made a motion, seconded by Ms. Lee to approve (Motion carried 5-0).

FISCAL IMPACT: None

RECOMMENDATION(S): Staff finds the subject application complete and suitable for transmittal to Town Council for further consideration.

Attachment(s): Ordinance, Planning report, Justification letter, Drainage easements to be vacated, Drainage easement dedications, Future Land Use map, Zoning and aerial map

ZONING HISTORY

Related Zoning History: None

Previous Request on same property: Town Council approved the Rolling Hills Golf and Tennis Club Plat, on November 26, 1973, which was recorded in Plat Book 81, Page 27 of the Public Records of Broward County.

On June 3, 1987, the Town of Davie adopted Ordinance No. 87-72 approving a Development Order (DO) for the Rolling Hills Development of Regional Impact (DRI), which was valid for five years. Subsequent amendments to Ordinance 87-72 occurred amending the DO's buildout date. In 1995, Town Council approved Ordinance 95-2 which extended the duration of the DO until March 15, 2001. On January 15, 2003, the Town Council approved a Section 380.032(3) Agreement regarding the Rolling Hills DRI allowing the development of 219 townhouses.

APPLICATION DETAILS

The applicant has requested the vacation of two (2) 12' drainage easements in association with the Rolling Hills Country Club. The applicant proposes replacing the vacated easements with eight (8) separate 15' drainage easements elsewhere on the property.

Applicable Codes and Ordinances

Section 12-310 of the Land Development Code, review for vacations or abandonments of right-of-way.

Comprehensive Plan Considerations

Planning Area: The subject property falls within Planning Area 5. Planning Area 5 is bound by Nova Drive on the north, University Drive on the east, and Nob Hill Road on the west. The southern limits are SW 36 Street, on the western portion. This planning area is comprised of residential uses developed at a density of three to 22 dwelling units per acre and commercial development, existing and proposed, along the University Drive and Orange Drive corridors. The Pine Island Ridge, classified as environmentally sensitive, has been preserved within this planning area.

Broward County Land Use Plan: The subject site falls within Flexibility Zone 99.

Applicable Goals, Objectives & Policies: Policy 1-13: New development shall provide water storage capacity pursuant to the water management regulations and plans of the South Florida Water Management District and other applicable water management agency(s).

Staff Analysis

The 12' drainage easements were dedicated via plat prior to site plan approval. Some of the existing drainage pipes are not located within easements provided per the original plat. The proposed abandonment is necessary to relocate the easements in order to achieve consistency with the existing drainage infrastructure and provide legal easements for their maintenance. The proposed 15' drainage easements are outlined more clearly on the 'Drainage easements dedications legal descriptions and sketches' exhibits, attached to this report. Staff notes that the Central Broward Water Control District has no objections to the proposed abandonment. In conclusion, the requested vacations will not have an adverse affect on neighboring properties, nor create a conflict with the public interest.

Findings of Fact

Vacations or abandonments of right-of-way: **Section 12-310 (A)(1):**

The following findings of fact apply to the vacation requested:

- (a)** It will adversely affect access to neighboring properties.
It will not adversely affect access to neighboring properties. The relocation of the drainage easements are internal to the residential site and will have no impact on the established road network.
- (b)** It will be in conflict with the public interest.
It will not be in conflict with the public interest. The proposed abandonment is necessary to relocate the easements in order to achieve consistency with the existing drainage infrastructure and provide legal easements for their maintenance.

Staff Recommendation

Recommendation: Staff finds the subject application complete and suitable for transmittal to the Planning and Zoning Board and Town Council for further consideration.

Planning and Zoning Board Recommendation

At the April 9, 2003, Planning and Zoning Board meeting, Vice-Chair Bender made a motion, seconded by Ms. Lee, to approve. Motion carried 5-0.

Re: **The Villas of Rolling Hills - Drainage Easement Vacation Justification**
AJH #: 02-0010

Dear Town:

The owner of the property is requesting that the existing drainage easements on this property be vacated and replaced by the proposed drainage easements. This justification letter is attached to the easement vacation application that includes copies of the survey of the property, original plat, a sketch and legal description of the property to be vacated, and a sketch and legal description of the drainage easements that will be recorded to replace the existing drainage easements.

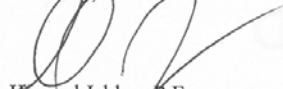

All of the existing storm sewers that convey runoff through this site have been identified and indicated on the engineering plans submitted to the Town of Davie planning and engineering departments, as well as the Central Broward Water Control District. It is the intent of this project to continue the existing drainage patterns and provide legal easements for their maintenance. Some of the existing drainage pipes are not currently in the easements provided per the original plat (in other words they are not in an easement). Most of the easements themselves do not have drainage pipes within them. In either case, the engineering plans indicate the current and proposed routing of the storm sewers and easements. The attached site plan indicates the location of the proposed easements as do the attached sketch and legal descriptions.

In some instances, the existing easements conflict with the proposed site plan. Due to the existing nature of the site, and the fact that there is a large lake in the middle of the site, it is necessary to relocate the easements and, if necessary, the existing storm sewers to conform to the site plan. The engineering plans indicate how the storm sewers are to be relocated to accommodate the proposed site plan.

This project will in no way affect the existing 60' Flow easement for the Central Broward Water Control District that bisects the property.

Thank you for your kind attention to this matter. Should you have any questions or comments, please do not hesitate to contact me at one of the above-referenced numbers.

Sincerely,

Howard Jablon, P.E.
